Community Citizenship Mission

Verigy believes it is our responsibility, as a corporate entity and as individuals, to have a positive impact in the communities in which we operate.

We are inspired by the power of individual innovation – even the smallest act of giving can have an incremental effect on the community.

Community Citizenship Strategy

- **Focus Areas:**

- **Education** -- Education is vital to the future of our communities and our industry. Verigy partners with educational institutions in support of innovative research, student training and career inspiration.
- **Environment** -- Verigy is committed to conducting our business in an environmentally responsible manner, and we take this responsibility seriously.
- **Social Outreach** -- Verigy supports our employees in fulfilling the social needs of our surrounding communities. We believe in the power of individual innovation – even the smallest act of giving can have an incremental effect on the community.

- Enable through **Employee Involvement**

- Leverage through local **Partnerships**

Community Citizenship Goals & Objectives

- Make a positive impact in the communities in which we operate worldwide
- Enhance relationships with stakeholders by demonstrating that Verigy is a good corporate citizen
- Engage our employees in the important mission of Community Citizenship and positively influence morale and company pride
